VANCE INDUSTRIES INTRODUCES
NO WASTE SPICE DRAWER INSERT ORGANIZERS

Bensenville, IL (October, 2006) – Vance Industries has announced its **No Waste Spice Drawer Insert Organizer**. This organization insert is available in many sizes and colors to accommodate the drawers and décor of today's kitchen. The Spice Drawer Insert provides easy, accessible storage for your spices utilizing all available space in the drawer front-to-back and side-to-side.

For durability, the **No Waste Spice Drawer Insert Organizer** is constructed of high impact polystyrene and can easily be removed from the drawer for cleaning. The **No Waste Spice Drawer Insert Organizer** is available in White, Almond, and Pewter to match your kitchen décor. It comes in the two most common kitchen drawer sizes 13" x 21" and 16" x 21". Like our other Trim-Fit™ Drawer Organizer systems, this insert easily trims for a custom fit.
